Cart Dump Systems

PTR Cart Dumpers are designed to improve the back room process of loading materials into a compactor. From the largest to the smallest loads, PTR Cart Dumpers will improve efficiency and eliminate injuries due to lifting.

PTR Hydraulic Cart Tipper rated for 4,000 lb. max load, with walk-on enclosure to a TP-3000 Stationary Compactor with 3.2 Cu-YD capacity.

STATIONARY LIFTER SOLUTIONS

Stationary lifters are designed for permanent mounting into concrete or metal pad.

Control options include manual or push-button controls.

Stand Mount - 3063 SERIES ST

Actuator operated with more versatile dump height options allows you to dump Toter 32/48/64/96 gallon Two-Wheel and Caster Carts only.

Part	Dimensions depend on model	Load Rating	Dump Height	Power Supply
3063-ST-4124		400 lbs	49.5" - 54"	115/230V single phase, 2 HP
3063-ST-4324		400 lbs	49.5" - 54"	208/230/460V three phase, 2 HP
3063-ST-4126		400 lbs	52.5" - 58"	115/230V single phase, 2 HP
3063-ST-4326		400 lbs	52.5" - 58"	208/230/460V three phase, 2 HP
3063-ST-4128		400 lbs	57.5" - 62"	115/230V single phase, 2 HP
3063-ST-4328		400 lbs	57.5" - 62"	208/230/460V three phase, 2 HP
3063-ST-4132		400 lbs	65.5" - 70"	115/230V single phase, 2 HP
3063-ST-4332		400 lbs	65.5" - 70"	208/230/460V three phase, 2 HP

Atlas - 3081 SERIES ST

The Atlas lifter is designed to dump 2-wheel and caster carts as well as Toter Atlas 32 and 44 gallon containers, and most competitive barrel-style containers with side lift handles. Dumps into stationary and self-contained compactors; front or side load containers; roll-off open top containers; through-the-wall compactor chutes, etc.

Part	Base Dimensions w/out chute	Load Rating	Dump Height	Power Supply
3081-ST-1000	153.5" x W35" x H43"	400 lbs	64" - 84"	115/230/460V single phase and three phase, 1 - 3HP

Saddle - 3081 SERIES ST

The Saddle lifter dumps Toter 32/48/64/96 gallon 2-wheel and caster carts. Dumps into stationary and self-contained compactors; front or side load containers; roll-off open top containers; through-the-wall compactor chutes, etc.

Part	Dimensions depend on model	Load Rating	Dump Height	Power Supply
3081-ST-5000		400 lbs	68" - 84"	115/230/460V single phase and three phase, 1 - 3HP
