

50 YEARS
OF VERTICAL BALERS

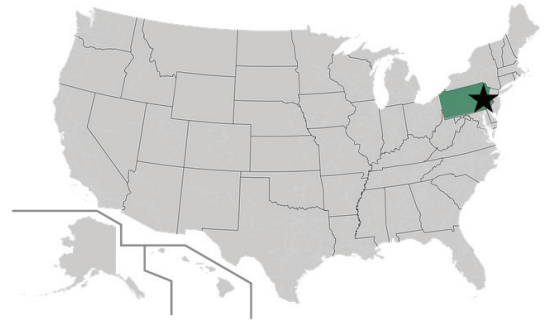

SAFETY.
INNOVATION.
EXCELLENCE.

JOB DESCRIPTION

PTR is searching for **AWS Welders** to join the team at our Philadelphia facility. PTR Baler and Compactor is a world leader in the recycling and waste equipment industry. We are a 4th generation, family-owned company that prides itself on quality and innovation. The company is thriving due to successes, growth, stability and client retention of some of the most well know retailers in the U.S. Our mission is to help companies achieve their green initiatives by reducing waste streams and increasing recycling efforts.

KEY RESPONSIBILITIES

- Weld, tack and fabricate products with blue prints as reference
- Basic mathematical and measurement skills
- Ability to read and understand blueprints/weld symbols
- Prior MIG welding and fitting experience
- Formal weld training and education

QUALIFICATIONS

- High School diploma or GED
- Mimimun 2 years of related experience
- American Welding Society certification
- Formal training or schooling with welding
- Ability to work overtime as needed

BENEFITS

At PTR, we consider our workforce our most valuable asset. We strive to provide top notch compensation and benefit programs to allow PTR employees to protect their personal and financial health, prepare for their futures, and create peace of mind.

We proudly offer:

- Medical, Dental and Vision Insurance
- Company paid Life Insurance
- 2 Pensions
